Website [www. Gccfcats.org](http://www.Gccfcats.org). Ignorance will not be accepted as an excuse for a breach of Rules.

## **ENTRY REQUIREMENTS**

All cats, kittens and neuters entered in the Pedigree Section must be registered with the GCCF. Unregistered cats, kittens and neuters may only enter classes in the Household Pet Section. To be effective for entry all Registration/ Transfer applications must have reached the GCCF office, as above, at least 21 days prior to the show

Each exhibit may be entered in a minimum of FOUR Classes one of which must be an Open Class. For Experimental Breeds granted preliminary recognition by the GCCF, exhibitors MUST provide a copy of the approved Standard of Points WITH ENTRY and state name of breed and colour on the Entry Form.

### **The Committee reserves the right to:**

1. Cancel, amalgamate or divide any classes not guaranteed. Announcement of any alteration in the Schedule will be made in 'Our Cats' and will be deemed sufficient notice.
2. Appoint other judges should those advertised be unable to fulfil their engagements and to appoint further judges should they be required.
3. Fix and limit number of exhibits at the Show.
4. Refuse admission to the Show Hall without giving a reason.
5. Disqualify cats entered in the wrong classes by the exhibitor.
6. In the case of the Show being cancelled for any reason the club reserves the right to retain a percentage of fees to defray essential expenses.

## **VETTING IN**

Exhibits will be received at the Show Hall from 7.30am to 9.45am on the morning of the show. All exhibits (including those for exhibition only) must be brought to the Show in baskets or suitable containers (top-opening recommended) and must be accompanied by the owner or owner's representative. Each exhibit must be examined by the club's Honorary Veterinary Surgeons and no exhibit may be penned before being so examined.

Exhibits must have clean ears and coats free from pests and be free of communicable diseases. The following will not be admitted: Cats or Kittens that have been de-clawed; Male Cats (over nine months) which are either Monorchid or Cryptorchid; Pregnant or Lactating Queens; Vasectomised Cats may not be shown.

Unfit exhibits must be removed by their owners and entry fees forfeited. If in the Veterinary Surgeon's opinion it is desirable, all other exhibits from the same cattery and the owner shall be debarred from attending the Show. The Veterinary Surgeon's decision is final.

All exhibits must be inoculated against Feline Infectious Enteritis FVR & FCV (Cat Flu) the full course in accordance with manufacturers recommendations must have been completed 7 days before the show. The Certificate must have been issued by a Veterinary Practice or Hospital and the last vaccination entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon. This should be properly completed and clearly indicate the identity of the exhibit and the owner, confusion may result in rejection. Cats without valid certificates will be rejected under Section A, unless the exhibitor undertakes to provide proof of vaccination by sending the certificate to the GCCF office within 7 days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the veterinary rejection list until proof of vaccination is received in the Office.

**ALL CURRENT CERTIFICATES MUST BE AVAILABLE FOR VETERINARY INSPECTION IF REQUIRED.**

**THE GCCF RECOMMEND THAT ALL CATS AND KITTENS OWNED BY EXHIBITORS BE REGULARLY TESTED FOR FELV. CATS SHOWING A POSITIVE REACTION TO THE FELINE LEUKAEMIA VIRUS BLOOD TEST OR THE FELINE IMMUNODEFICIENCY VIRUS BLOOD TEST MUST NOT BE SHOWN.**

**PLEASE NOTE:** Homeopathic vaccination is not acceptable for the purpose of showing.

### **JUDGES**

Judges are empowered to withhold any prizes or certificates in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judges slip, not from any catalogue or prize card.

### **COUNTERSIGNING OF CERTIFICATES**

In the event of a change of judge of an Open Class occurring after the closing date of the Show, and provided that the exhibitor informs the Show Manager prior to judging that a Certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate which shall then count towards championship status.

If the replacement judge at the first show has also been previously booked for a subsequent show, the closing date of which is before the date of the first show, and where the actual entry has been made and received before the date of the first show, then at the subsequent show this judge can be regarded as a replacement judge for the purpose of requesting a countersignature.

When a cat which has been awarded a certificate at the Supreme Show is entered under the same judge, for the equivalent certificate, during the following three months, then at one subsequent show this judge can be regarded as a replacement for the purpose of requesting a countersignature.

### **PENNING**

The pen may be wiped down with cotton wool dampened with any non-toxic disinfectant before putting the exhibit into it. Each exhibit must be provided with a white sanitary tray, water bowl, white litter, and clean, plain white or near-white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed but white vet-bed or like material with white or green backing may be used if preferred. Hot water bottles or heat reflective material may be used but must be concealed by the blanket. Any other form of heating will lead to disqualification. All exhibits must have water, but food containers must be removed before judging starts at 10am and may not be returned until 12.30pm. Judges are instructed to pass any pen that is distinguished in any way. No person may remove any exhibit from it's pen except the owner (or the owners representative should the owner not be present at the show), or an official. No cat may be removed from the show hall prior to closing time (5pm) unless an early pass has been given by the Show Manager.

### **Section 4 Rule 10**

Containers with food and one small toy may be placed in the pen after the time announced for the admission of the public.

### **SPRAYS OF ANY KIND ARE NOT ALLOWED IN THE SHOW HALL**

No Stud advertisements, written or printed matter of any kind other than the official award cards may be put on pens. No exhibitor may remove an official notice from a cat's pen.

Exhibits are only received on condition that the Club shall not be responsible for any loss or damage to cats, boxes, baskets or any other property, or in any other way.

The Committee on behalf of the Club retain the exclusive right to publish catalogues for their Show, containing such information as required by the GCCF Rules and reserve to themselves the right to refuse any entry without giving a reason.

N.B. No 'For Sale' signs will be allowed on the pens.

## **GENERAL GUIDELINES ON ENTERING SHOWS**

Where possible, always complete your show entry form from your GCCF registration document (i.e. Registration or Transfer Certificate) for the cat that is to be exhibited, **PRINTING** the details carefully to avoid any misinterpretation of your handwriting.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Regd. No. box. It is wise to enclose a stamped self-addressed acknowledgment postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form - then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the Show Catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when that show is checked. All Catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the show (on show day); such a change must not be a change of exhibit.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/ family, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate **VERY CLEARLY** which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit/exhibits should always use the same form and both must sign.

## **STATUS OF ERRORS - WHAT TO EXPECT**

**MINOR ERRORS** - These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

- (a) Spelling errors
- (b) Separation of cat's names that should be one word, and vice versa
- (c) Administrative/breeder's prefix omitted from, or partially incorrect name given for, exhibit
- (d) Overseas title preceding the name of an exhibit, sire or dam, etc:

- (e) Full breed number known but not given
- (f) Sire and Dam reversed or named incorrectly
- (g) Breeder joint when single and vice versa

**INCORRECT DATE OF BIRTH** - This is usually classed as a minor error unless it affects an entry into classes based on age groups when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the Show.

**INCORRECT NAME OF EXHIBIT/OWNER/BREEDER** - If registration/transfer were obviously available at the time of entry or before the date of the Show, disqualification is inevitable. The following discrepancies are those which usually arise:

<b>EXHIBIT REGISTERED OWNER (EXHIBITOR)</b>	Totally incorrect name Joint when they should be single and vice versa Declaration not signed by registered owner(s) <i>N.B. The exhibitor(s) must be the registered owner(s) of the cat and not necessarily the person who actually takes the cat to the show.</i>
<b>BREEDER</b>	Totally incorrect name or names <i>N.B. The breeder of a cat is always the registered owner of the dam on the date of the cat's birth</i>

**INCORRECT CLASS ENTRY**

These will be disqualified from the class concerned - so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately.

**All Non Pedigree Cats aged 9 months or over exhibited at Shows hold under GCCF licence MUST be neutered**

only cats with registered parents, grandparents and great-grandparents shall be eligible.

**DEFINITION OF CLASSES**

OPEN CLASS	Open to all of the specified breed. (Must be GCCF registered.)

#### NEUTER ADULTS

Neuter adults may only enter neuter classes and may not Compete with entire cats or kittens except in Club Classes which are scheduled to include Neuters. Where Best in Show is held, the best Neuter shall be considered against the best Entire Adult and Kitten for Best Exhibit in Show.

Cats originally registered in Breeder's single ownership and changed to joint ownership with the Breeder should be entered in the Non-Breeders Class.

The status of the exhibit for entering restricted classes (i.e. Maiden, Limit, etc) shall be the cats' status on the day of entry, except where Section 2, Rule 15e regarding entry into Grand Classes applies. The wins as a Kitten do not count when the exhibit is shown as an Adult or Neuter; the wins as an Adult do not count when the exhibit is neutered and shown. Merit Awards do not count as 'wins' for entering restricted classes.

**Notes:**

- (1) To be eligible for entry into the Grand Champion or Grand Premier Classes, the status of Champion or Premier must be attained on or before the closing date for entries as published in this schedule
- (2) When counting wins/ prizes, include all awarded in any class at a show held under GCCF rules.

**ABBREVIATIONS**

**LH** - Long Haired; **SLH** - Semi Long Haired; **SH** - Short Haired; **AV** - Any Variety; **AC** - Any Colour; **M** - Male; **F** - Female; **AOC** - Any Other Colour; **CC** - Challenge Certificate; **GCCF** - Governing Council of the Cat Fancy.

**GENERAL NOTES FOR THE GUIDANCE OF EXHIBITORS**

- a) If your exhibit is rejected by the examining veterinary surgeon or veterinarian before or during a show, the GCCF will require you to produce a veterinary certificate of freedom from infection as indicated in Rule 4 above before being permitted to attend or exhibit at any further show. This certificate must be dated not less than seven days after the show at which the exhibit(s) was/were rejected and submitted to the GCCF with all relevant details.
- b) Evasion or breach of any of the GCCF rules, or the articles of its constitution may, and often will lead to disciplinary action and you are to familiarise yourself with all sections of the Rules and with the Constitution. These are obtainable from the GCCF Secretary.
- c) Except where the context demands otherwise the word cat in these rules includes kittens and neuters. A Kitten is defined as a young cat under nine calendar months of age. Thus a kitten born on 12th January becomes a cat (adult) on the following 12th October.

## **VETERINARY LETTERS**

In the past, cats showing signs of skin lesions might have been allowed entry to a show on production of a letter from their Veterinary Surgeon, stating the origin of the lesion. This was subject to the agreement of the Duty Vet. This is no longer applicable; such letters are no longer accepted at shows and any exhibitor presenting a cat with any skin lesions indicative of ringworm is likely to be rejected at vetting-in. The GCCF Veterinary Officer recommends exhibitors not to take a cat to a show if it has any skin lesions indicative of ringworm, however small.

## **THE GOVERNING COUNCIL OF THE CAT FANCY NEW SHOW RULES FROM 1st JUNE 1976**

- 1 Any Cat or Kitten disqualified by a judge on grounds of condition must be reported by the Show Manager to the Honorary Secretary of the GCCF.
- 2 **NEW RULE ON BITING AT SHOWS**  
Any cat biting or inflicting injury by deliberately scratching a Judge, Veterinary Surgeon, Steward or other show Official must be reported to the Show Manager. The Show Manager must withdraw the cat from the show and shall inform the owner of the cat in writing, sending a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances, that information should be given to the Secretary of the GCCF for consideration by the Executive Committee. If the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rule otherwise.

### **SECTION 3 Rule ii**

No person may steward at all for any judge under whom he or a member of his household is exhibiting in an open class. This shall also include cats not entered in the open, but to be considered for best of breed.

## **WITHDRAWAL FROM CAT SHOWS - NEW G.C.C.F RULING**

The last date for withdrawal of a cat from a show is the advertised closing date for entries at that show, after this date the cats concerned may not be withdrawn from the catalogue of the show and the 13 day Rule about entering two shows within 13 days will apply. Show Managers may be prepared to return part entry fees if the cat is not present at the show but the entry in the catalogue must not be withdrawn. This ruling does not prevent Show Managers from returning entries after the closing date of the show if they are unable to accept them into the show because the show is full.

## **REFUNDS**

Entry Fees will be refunded for entries withdrawn before the published closing date. Thereafter a percentage of the entry fees may be refunded at the discretion of the Committee. Withdrawal of entry must be in writing. If the entry is withdrawn on Veterinary advice 50% of entry fees excluding penning will be refunded providing that a Veterinary Certificate is received by the Show Manager at least seven days prior to the date of the show. All refunds will be posted after the Show.

## **ADVICE TO EXHIBITORS AS FROM 1.6.92**

- a) You are advised against purchasing any shampoos that change a cat's colour as this can lead to disqualification.
- b) Homeopathic Vaccinations are not acceptable to the GCCF for the purpose of vetting-in.
- c) Any person whose cats have been rejected under Sections C or D must not officiate as a judge or steward or in any other capacity which requires the handling of cats at shows until a clearance certificate as required by the GCCF has been obtained.
- d) The attention of the Executive Committee has been drawn to the danger of using electric fans in and around show pens. The Committee are also of the opinion that such fans could be a distinguishing feature and as such should not be used. It is suggested that moistening a cat's lips with water is at least equally as effective in cooling the cat.
- e) Please note that in addition to the classes you have entered, your cat may also be handled for the purposes of assessing candidates in the GCCF appointment scheme.
